January 1—July 4, 1971

(COPYRIGHT)

This is the HALF-YEARLY INDEX of AFRICAN RECORDER covering the period January 1 to July 4, 1971 (Issues Nos. 1 to 13 of Vol. X).

It has been compiled on the dictionary method and arranged alphabetically with certain form-headings under different countries. Apart from the departmental form-headings, such as COMMERCE & INDUSTRY, FOREIGN RELATIONS, POLITICS & GOVERNMENT etc., some special form-headings include ATOMIC ENERGY, COMMUNISM and SPORT.

The fighting in West Asia and diplomatic efforts to solve this issue are entered under Egypt (UAR), Israel and also under Jordan, United Nations, USA and USSR. The issue of arms sales to South Africa and African leaders' reactions to it come under Commonwealth, South Africa and the countries concerned, as well as the UN. The new Federation formed between Syria, Libya and UAR is featured under each of the member-countries.

At the end of the year, an amalgamated ANNUAL INDEX will be issued.

The abbreviations for countries are given in the explanatory note on how to use the INDEX pasted on the inside of the back-cover of the binder under the heading INDEX EXPLAINED.

Issued with September 29—October 12, 1971 Regd. No. D-1230 Vol. X No. 20
